Sir,

Subject Entertainment of conservancy Carts on a monthly hire at Rs 60/- P M during the year 45-46, by the Bhalravathi Municipal Council, for removing the Street Rubish of the town

*****

I have the honour to state that the question of entertaining three Conservancy Carts on a monthly hire at Rs 60/- each P M for removal of Street rubish in Bhalravayhi Town during the current year 45-46, was considered by the said Municipal Council at its meeting held on 30-7-45, when resolutions were passed to the effect that two Conservancy carts might be entertained on a permanent basis on a monthly hire at Rs 60/- P M each with effect from the current official year and t an additional Cart might be entertained on a similar hire charges for a period of at least three months during the rainy season of the current official year in view of the fact that it was found by experi that two carts cannot cope up with the heavy work particularly during rainy season

The Municipal President states that during the rainy seaxon, the drains will be filled up with mud and rank vegetations and that the removal of the town refuge is quite essential particularly in the in terest of public health in the town

He adds that the right of supply of carts was auctioned in Publi and that the lowest bid offered thereat was Rs 60/- per cart P M

Due provision has been made for the purpose in the current year' sanctioned Budget of the Municipality to meet the expenditure in ques

As this item of expenditure is recurring one, the Municipal President requests that Sanction of Government might be obtained for entertainment of the above conservancy carts

I write to state in this connection that when a normal condition are restored, present rates are likely to go down The question of continuing the said concervancy carts at a present rate ie , hire at Rs 60/- P M with effect from the ensuring year 46-47, will be examined later and suitable recommendations will be made if need be
